April 2016

Dear Parents/Guardians,

In celebration of **Earth Day** the kindergarteners will be walking to Fruitland Little League/Park to collect trash, plant flowers and enjoy a picnic lunch. The children will then recycle all the trash at the Fruitland Recycling station before returning to school. The trip is scheduled for Friday, April 22, 2016. Kindergarteners will be departing from FPS at 9:30 and returning around 1PM.

Important Information about the trip:

- 1) If you bring a lunch from home; we challenge you to pack a **trash free lunch**. Classes will compete to see who has the least amount of trash after the picnic.
- 2) Lunches can be purchased from the cafeteria and we will recycle any trash
- 3) Children may bring **gloves** from home to wear during the collecting of trash
- 4) Sanitizer will be provided before lunch is consumed
- 5) Please wear sneakers and plain colored bottoms as we will be wearing our Tie dye T-shirts!

In order for your child to participate in this field trip, your permission must be given. Every precaution to ensure your child's safety will be taken. Proper instruction and supervision before and during the trip are necessities that will be guaranteed to you. It is possible that accidents over which we have no control may occur. If such is the case, it is understood that the school will not be held responsible. Naturally, the school insurance, which many of you have purchased, is in effect from the time your child leaves home until they return. Please sign and return the bottom of this letter if you give permission for your child to go on this trip.

Please sign and return the permission slip allowing your child to participate. No money is needed for this trip.
